**PEORIA** – The Illinois Department of Transportation announces that northbound and southbound I-155 lane closures will begin this week between MM 11-15 (from the Logan County line to just north of the Delavan exit.)

The lane closures are necessary for milling and resurfacing work to be completed and will continue until November.

Existing I-155 lane closures between MM 15-20 will be removed this week.

Please slow down and use extreme caution while driving through all work zones.
